**1. Correction**

The publisher wishes to notify readers of errors that occurred in the publication of the original article (<https://dx.doi.org/10.11568/kjm.2024.32.1.15>).

The institutional affiliation for both authors, Sheela Arockiam and Maria Joseph John, was inadvertently omitted from the published version. The authors' affiliation should read: Affiliated to Bharathidasan University.

Additionally, an error was identified in the correspondence address for both authors. The PIN code was erroneously published as 620001, whereas the correct PIN code should be 620002.

The publisher regrets these errors. These corrections pertain solely to the metadata and do not affect the scientific content, methodology, results, or conclusions presented in the original article.
